

Webinar training solutions

To upskill and maintain professional development across your organisation, while adhering to the restrictions in place for fighting the spread of COVID-19.

We use Zoom to create a live virtual classroom for delegates to engage and participate in certificated theory based learning.

Acute's webinar training solutions.

Experience how you learn in our live virtual classroom environment with a free demonstration

Call us on 02920 494 969 to arrange a demonstration to see first hand how our webinar training solution will deliver certified training to your organisation and staff.
