

TRAINER VACANCY

Clinical Trainer

About Acute Training Solutions

Acute Training Solutions are one of the UK's most trusted healthcare training providers. We work with some of the largest healthcare providers, councils and NHS units in the country, training over 10,000 nurses, managers and healthcare workers every year.

About the training role

We're looking to recruit professional and qualified clinical trainers to deliver face-to-face and virtual training courses to local councils, NHS units and other private care groups across the UK.

You will be delivering half day and full day training sessions to a wide range of healthcare professionals within various health and social care settings; including care homes, hospitals, secure units, GP surgeries and councils.

The type of clinical training topics that trainers will deliver in these settings include: catheterisation, venepuncture, wound management, pressure area care and tissue viability, syringe driver awareness, enteral feeding, and care of medicine and administration.

It is essential that candidates have a recognised training qualification, knowledge of the UK's health and social care system, and the passion and desire to educate others. As a minimum, all applicants are required to own a smart phone, a laptop and a projector.

All equipment required to demonstrate practical elements of our training courses are provided by Acute Training Solutions.

Training location

We deliver clinical training courses across the UK. We offer an accommodation and subsistence allowance for travel.

What we offer

Acute Training Solutions will provide all the necessary training materials required to deliver all clinical courses including presentations, equipment and competency frameworks. We take care of all the post course paperwork, leaving you free to concentrate of the most important job of all – effectively teaching your skills to others.

Why work with Acute

- Flexible working hours
- Great rates of pay
- Face to face and or webinar trainer opportunities
- Pre and post training support
- The opportunity to work with the UK's leading health providers

How to apply

If you have the necessary skills to become an Acute Trainer, and are willing to travel, please email us at jobs@acutetrainingsolutions.co.uk to begin the recruitment process.
